Former President Donald Trump said that if not for his COVID-19 vaccine effort, Operation Warp Speed, 100 million people might have died from the bug, saying he's "very proud" of his efforts to get Americans jabbed.

"I think if we didn't come up during the Trump administration with the vaccine, you could have 100 million people dead, just like you had in 1917," Trump said in an interview on Fox News that aired Saturday night.

"You take the Spanish Flu, 100 million people, up to 100 million people, died. I think we'd be in that territory."

More than 616,000 United States residents have died from COVID-19, according to a Johns Hopkins University [tracker](#). The country's population is 332,601,658, according to the Census Bureau.

Trump's administration purchased **200 million doses** of Pfizer's vaccine and **200 million doses** of the Moderna shot.

"The vaccines turn out to be a tremendous thing," he said in the interview with Dan Bongino. "It's something I'm very proud of."

Figure 1_1

Yes, I am unrelenting in my use of the word “fake” as a descriptor for “Covid” and for the mRNA “vaccines”....because that’s the Truth. The mRNA and DNA “vaccines” are genome change agents.

The time-efficient way to use the links that I provide is, instead of reading the entire article, do a keyword search. Example: On the link “[“Warp” and “woof” refer to the two component series of threads of which woven material is made on a loom](#)”, keyword search “warp” and “loom” in the document.

I’ve long thought that the use of the word “warp” in “Warp Speed” was a hidden reference to DNA, due to the use of the words “warp” and “woof”, each 9x, in [Leviticus 13](#): Figure 1_2.

Figure 1_2

Both warp and woof appear in [Lev 13:46, 48, 49, 51, 52, 53, 56, 57, 58, & 59](#). 9 verses.

[Lev 13:46-52:](#) "All the days wherein the plague is in him he shall be unclean; he is unclean; he shall dwell alone; without the camp shall his dwelling be. And when the plague of leprosy is in a garment, whether it be a woolen garment, or a linen garment. or in the warp, or in the woof, whether it be of wool or of linen, or any thing of skin, wherein the plague is; for it is a malignant leprosy: it is unclean. And he shall burn the garment, or the warp, or the woof, whether it be of wool or of linen, or any thing of skin, where the plague is; for it is a malignant leprosy; it shall be burnt in the fire."

1. The 1st thing to be gleaned is that garment is likely allegory for your body. In [Gen 3:21](#), HaShem made garments of skin for Adam and Eve. [Lev 13:48](#) says “skin” outright. So, warp and woof here likely refer to the garment, the skin, the body.
2. The 2nd thing to be gleaned is from “And he (the priest) shall look on the plague on the seventh day”...”. [2 Peter 3:8](#) states “...that one day *is* with the Lord as a thousand years, and a thousand years as one day.”. So do these verses mean 1 day as in our days, or, 1 day (1000 years) in HaShem’s days? Likely the latter: 1000 years to us. The 7th day, by my current reckoning, is the upcoming [Millenium](#).
3. The 3rd thing to be gleaned is who looked upon the plague? The priest. Likely, the highest Priest of all will do it next.
4. The 4th thing to glean is that, if the plague had spread in the garment, or, in the warp, or in the woof, then the garment, or the warp, or the woof was to be “burnt in the fire”. That does not sound like a pleasant experience nor a desirable outcome.

What is the warp and the woof? “[“Warp” and “woof” refer to the two component series of threads of which woven material is made on a loom](#). That, is, they are two perpendicular yarn sets that form the grid pattern. The warp is the set of **lengthwise yarns**, and the woof (also called weft) is the set of **crosswise yarns**.”: See Figure 1_3.

WHAT ARE THE “WARP” AND THE “WOOF?”

by Shawn Brasseaux

They appear six times in the King James Bible (and always paired). What are they?

- Leviticus 13:49: *“And if the plague be greenish or reddish in the garment, or in the skin, either in the warp, or in the woof, or in any thing of skin; it is a plague of leprosy, and shall be shewed unto the priest:....”*
- Leviticus 13:51: *“And he shall look on the plague on the seventh day: if the plague be spread in the garment, either in the warp, or in the woof, or in a skin, or in any work that is made of skin; the plague is a fretting leprosy; it is unclean.”*
- Leviticus 13:53: *“And if the priest shall look, and, behold, the plague be not spread in the garment, either in the warp, or in the woof, or in any thing of skin;....”*
- Leviticus 13:56: *“And if the priest look, and, behold, the plague be somewhat dark after the washing of it; then he shall rend it out of the garment, or out of the skin, or out of the warp, or out of the woof:....”*
- Leviticus 13:57: *“And if it appear still in the garment, either in the warp, or in the woof, or in any thing of skin; it is a spreading plague: thou shalt burn that wherein the plague is with fire.”*
- Leviticus 13:58: *“And the garment, either warp, or woof, or whatsoever thing of skin it be, which thou shalt wash, if the plague be departed from them, then it shall be washed the second time, and shall be clean.”*

The context is various skin diseases as they spread through garments or fabrics. “Warp” and “woof” refer to the two component series of threads of which woven ma-

terial is made on a loom. That, is, they are two perpendicular yarn sets that form the grid pattern. The warp is the set of lengthwise yarns, and the woof (also called weft) is the set of crosswise yarns. The woof crosses the warp from left to right and over and under. The warp alternates from front to back. In the diagram below, the warp is the dark, vertical threads; the woof (weft) is the thicker, light-colored, horizontal threads.

Figure 1_3

Kind of like DNA. The Phosphate backbone, the lengthwise strand, would be the warp, and the base pairs, the crosswise yarns, would be the woof: Figure 1_4

Figure 1_4

Warp is [Strong's H8359](#), shethi, שְׁתִי, which is spelled in these 9 verses with either a leading bet ב or a leading hei ה.

Woof is [Strong's H6154](#), ereb, אֶרֶב, which also means “mixed”, as in the “mixed multitude” of [Ex 12:38](#). Woof is spelled in these 9 verses with either a leading bet ב or a leading hei ה, matching verse-for-verse the use of bet or hei for warp. There is some meaning in the bet vs hei that I can't yet discern. So, does woof also mean “mixed” as in, mixed DNA - a mixed species created from the genome-change agents like mRNA-1273 - a chimera? I don't know. Best guess: Yes.

For cases of close repeats of words in the Torah, I've found that often that there is a message to be found if the Chapter numbers and Verse numbers are summed. That's how perfectly the

Torah is written, both in prose, and, in mathematics. It's mind-boggling. Let's look:

Sum of Chapter numbers = 117 = $13 * 9$.

Sum of Verse numbers = 529 = sum of 46, 48, 49, 51, 52, 53, 56, 57, 58, & 59.

Total = 646 = 117 + 529.

646: Among other things, 646 = [Sofit Cipher](#) value of אֱלֹהִים, [Strong's H430](#) Elohim, which translates as “God”. It has been said by one author that “[The name El יְהָוָה denotes loving kindness on the right side, and the name Elohim אֱלֹהִים denotes severity on the left side](#)”: Figure 1_5.

Mashiach The Word

The secret is revealed in John 1:1 with Hebrew rendering as follows:

In the beginning was the Word, and the Word was with God, and the Word was God.

בראשית היה דבר ודבר היה עם אל ודבר היה אל

Word **דְּבָר** in gematria is 206, which is the same gematria of “His essence” טעם, as the Word spoken expresses the essence of the Speaker.

The “atbash” of the first three words in gematria is 1459, as follows:

In the beginning was the Word בְּרָאשִׁית הָיָה דְּבָר
“atbash” אַתְבָּשָׁן 1459

1459 is exactly the gematria of the all 22 Hebrew letters, as follows:

22 letters אֶבְגָּדָהוֹחַתִּיכְלָמָנָסָעֲפָזְקָרְשָׁתָה 1495

This comes to reveal that the 22 Hebrew letters are the building blocks of the creation, which can be condensed into the first and final letters known as Et אֵת.

He created the heaven with “Et” בָּרָא אֵת הָשָׁמְיִם 999

The gematria of the last seven words is **646**:

...and the Word was with God, and the Word was God וְדֹבֶר היה עם אל וְדֹבֶר היה אל **646**

646 is the gematria of Elohim אֱלֹהִים, if 600 (instead of 40) is counted for the final Mem.

The name El אל denotes loving kindness on the right side, and the name Elohim אֱלֹהִים denotes severity on the left side.

The gematria of the entire verse is 1790, which is 5 times the gematria of Mashiach, also the same gematria of Mashiach spelled out progressively and regressively, as follows:

Figure 1_5

117: Being a low number, there are a lot of Torah words with standard value = 117. Go [here](#) and enter 117 to find the words. Since the warp and woof are used in verses about uncleanness, focus on things that might be associated with that. There is one obvious word in that list: זען, which is [Strong's H2194](#), זען, zaam, “to be indignant”, 2x as-spelled in the Bible: [Num 23:8](#) and [Mal 1:4](#). Read both. Who would be indignant about the mRNA vaccines? HaShem. Now, I just said “warp and woof are used in verses about uncleanness”. I’ve previously stated that the hidden purpose of ALL vaccines is to make you Biblically unclean. See my first post:

It seems a lot more than ‘coincidental’, then, that warp and woof are used in verses that talk about uncleanliness, and that the mRNA fake vaccine “development effort” was called “Operation Warp Speed”.

“Warp”, being the lengthwise strand, thus hints at breaking the DNA phosphate backbone. As supporting proof, the [first Adverse event listed in Pfizer’s own document](#) on adverse events for the BNT162b2 fake vaccine is “1p36 deletion syndrome”: Figure 1_6, which is a [gene knock-out syndrome](#): Figure 1_7. This gene knock-out syndrome would require breaking the DNA phosphate backbone. If genes are knocked-out, then, by definition, DNA IS changed. The governments, the media, your clergy, your doctors, the fake “experts”,.... all claimed that the mRNA fake vaccines did not alter DNA. Clearly, “they” lied. And they continue to lie.

529: There are 7 words in the Torah with a [Standard Cipher](#) value of 529:

הידעתם, העתדים, זוכתן, תמעיט, סביתיהם, והחריש, נתעת.

The most likely fits here seem to be:

- וַיַּזְבַּח, [Strong's H5800](#), azab, to leave, forsake; 1x as-spelled: [Ex 2:20](#), or
 - מַמְנִיט, [Strong's H4591](#), maat, to become small or diminished. 5x as-spelled in the Torah: notably, in [Num 26:54](#) and [Num 33:54](#), which may also reveal part of the story of the Warp and the Woof, or,
 - 529 = Standard Cipher value of [שִׁתְׁתִּים שֵׁטֶן Shittim wood, and, שָׁטֶן שֵׁטֶן tree of Satan](#): Figure 1_7. Holy and unholy: opposite but interconnected forces, it seems.
-

Badger's skin in Hebrew is טְהִשִּׁים עֲרָתֶת (תְּהִשִּׁים עֲרָתֶת), the exact meaning of the word Techashim (טְהִשִּׁים) is uncertain, and therefore a concealed mystery. The five letters can be rearranged as ח-טְהִשִּׁים, meaning: the sign (cross) of Mashiach, representing the concealed Mashiach, which can only be known through faith.

Shittim wood in Hebrew is שִׂטְתִּים עַץ, the gematria is 529, exactly the same gematria as “pleasure” (תְּבֻנָה). If we fuse the final two letters of Shittim מְטִתִּים עַץ into one letter Nun, Shittim wood שִׂטְתִּים עַץ is then transformed to the tree of Satan שָׁטָן עַץ, which is what attempted the woman in the garden. 529 is the square of 23, which is the gematria of the first woman called Chayah (חַיָה) prior to her being called Chavah (Eve), hence the Shittim Wood represents both the cause and cure of the fall, with her ultimate return to basking in Divine pleasure.

Oil for the light, and light (in darkness) represents Wisdom in Kabbalah.

“Spices for the anointing oil, and for the sweet incense” ([Ex 25:6](#)) in Hebrew is: בְּשָׂמִים לְמִשְׁׁנָה וּלְקֹטְרָה הַסְמִים, the gematria is 2070, exactly 10 times the gematria of light (אור) which is 207. This is Knowledge (D'aat) which in Kabbalah is considered the Son of the Wisdom.

Let's now examine the gematria of the 13 types of materials:

1 Gold	זָהָב	14
2 Silver	כְּסָף	160
3 Brass	נְהַגָּת	758
4 Blue	תְּכִלָּת	850

Figure 1_7

"Warp Speed". Speed is likely מהירה, [Strong's H4120](#), meherah, which means "haste, speed".

"Warp Speed" combined would be בשת מהירה for Warp beginning with ב bet. The Standard Cipher value of that phrase is 962 (or, 965 if warp began with ה). No Torah words have a standard value of 965. Three Torah words have a standard value of 962: בראשות, חורשנות, and השברני. The word השברני is interesting: [Strong's H7666](#), shabar, "to buy grain". It occurs 1x in the Torah as-spelled, in [Deu 2:28](#), where it is translated somewhat differently: "you shall sell me". "You shall sell me" brings to mind [Deuteronomy Chapter 22](#), which in part, deals with unfaithful wives. Regarding the concept of wives for this interpretation, see my first [post](#), search for: "We are God's bride". Read it for understanding. Hmmmm.

חורשנות is [Strong's 3423](#), yarash or yaresh, "take possession of" or "to dispossess". It occurs 1x as-spelled in the Torah, in [Ex 15:9](#), where it is translated as "shall destroy (them)". Hmmmm. Coincidences? You decide.

Sofit Cipher value = 962 adds 5 words to the list: ומראיין, בנחין, בנשים, והנישאמ, and ומראיין, בנחין, [Strong's H4758](#), marel, "appearance" occurs as-spelled 2x in the Torah, notably in [Lev 14:37](#), "And he [The Priest] shall look on the plague, and, behold, if the plague be in the walls of the house with hollow streaks, greenish or reddish, and the *appearance* thereof be lower than the wall". Again, a reference to a plague, an uncleanness, and its examination by the Priest. Another word, בונשים, is notable: בונשים, [Strong's H802](#), ishshah, "wife, woman, female". בונשים occurs 1x as-spelled in the Torah: in [Num 31:18](#) "But all the women children, that have not known a man by lying with him, keep alive for yourselves". For context, Num 31:17 is "Now therefore kill every male among the little ones and kill every woman that hath known man by lying with him". Males and females (woman) in this realm all females - spiritually.

One characteristic of a woman lying with a man is that the woman receives genetic information. mRNA vaccines? mRNA-1273?

Is the mRNA fake vaccine deception now becoming clearer to you?

Let's return to Woof. Again, woof is [Strong's H6154](#), ereb, ערב, which also means "mixed". The Torah prohibits certain mixtures under the [laws of Kilayim](#): Figure 1_8 and this [link](#): Figure 1_9. Those laws include:

- [Lev 19:19](#) "...You shall not crossbreed your livestock with different species....".
 - Livestock has allegorical meaning.

- If livestock means “cattle” in this case: Vitale’s “[Alternate Translation of the Old Testament](#)”, p194, defines cattle as “humanity, apart from the mind of God”, [ATOT] p108, further stating “Adam is the mind of the whole Living Beast, called cattle in [Gen 1:24-25](#) & [Gen 2:20](#)”. Thus, those who do not have the mind of God, which is 99.9%+ of the worldwide population, would be considered to be “cattle” - IF, this allegorical definition is correct. The Alternate Translation of the Old Testament is well worth reading, as it posits many potential allegorical Bible meanings, and, provides a 4+ - dimensional way of interpreting the Bible.
- [Lev 19:19](#) also states “...You shall not sow your field with a mixture of seeds, and a garment which has a mixture of *shaatnez* [the combination of wool and linen] shall not come upon you”.
 - Seeds here has allegorical meaning, as do wool and linen, and probably field as well. Garment is your body.
 - “Seed”, quoting Vitale in ATOT: “Wherefore, the female seed of God’s spiritual intelligence must be divided from Leviathan, for the female seed of God’s spiritual intelligence to be strong enough to overcome Satan...” p24.
 - “Field” possibilities in ATOT: field of creation (higher than 3 dimensions), righteous Adam’s energy field, Leviathan’s energy field, or, our 3D realm.
 - “Wool” and “linen”: “Of the two firstborn, one [Cain] brought flax [linen] as his sacrifice, while the other [Abel] brought wool [sheep]. Therefore, we may not wear a mixture of wool and linen, for one who wears such a combination jumbles the spiritual energies”.
 - Also, quoting [Moshe Yaakov Wisnfsky](#) “When one mixes two incompatible species, this causes friction, for he is jumbling the supernal energies and changing them from their proper state.... The two firstborn of the world [Cain and Abel] were such a mixture, one good and one bad”.
 - And “So it was in the Holy Temple. In the face of its holiness, the impurities inherent in the flax could not exist, and so its presence would not sully the purity of the wool”.
- [Deu 22:9](#) “You shall not sow your vineyard [together with] a mixed variety of species, lest the increase will forbid the seed that you sow and the yield of the vineyard”.
 - “Vineyard” allegory: [Positive vs negative spiritual light](#).
- [Deu 22:10](#) “You shall not plow with an ox and a donkey together.”
 - Plow, ox, and donkey have allegorical meanings
 - According to [Ginsburg](#) “...In the kelipah (impurity) the ox is the male of the kelipah and the donkey is the female. We are not allowed to plow with an ox and donkey together, because it strengthens the power of the other side. Rather they have to separated and used individually until their counterparts in holiness can be used positively...”.

What Is Kilayim?

The Torah Prohibition Against Mixing Seeds or Species

By Dov Bloom

What do clothes, animals and plants have in common? They are all subject to a prohibition the Torah calls *kilayim*.

So what is this prohibition all about? The Torah forbids combining certain species of animals and plants in specific ways. This prohibition includes some intricate details, as well as some fascinating lessons. Let's begin from the beginning.

What do clothes, animals and plants have in common?

In the book of Leviticus:

You shall observe My statutes: You shall not crossbreed your livestock with different species. You shall not sow your field with a mixture of seeds, and a garment which has a mixture of *shaatnez* [the combination of wool and linen] shall not come upon you.¹

Then later, in the book of Deuteronomy:

You shall not sow your vineyard [together with] a mixed variety of species, lest the increase will forbid the seed that you sow and the yield of the vineyard.² You shall not plow with an ox and a donkey together. You shall not wear a mixture of wool and linen together.³

All told, the Torah lists the following general prohibitions:

- Not to crossbreed animals
- Not to plant various plant species together
- Not to wear a garment with *shaatnez*
- Not to use two species of animals to plow together

In the Talmud⁴ there is an elaborate analysis of these verses, as well as descriptions of the details of these prohibitions. There are actually 77 *mishnahs* devoted to the topic. In Maimonides' Yad Hachazakah there are no less than 181 paragraphs devoted to the prohibition of *kilayim*!

Figure 1_8

KIL'AYIM: WHY DOES THE TORAH FORBID MIXTURES OF ANIMAL BREEDS, PLANTS AND CLOTH?

May 4, 2022

אַתָּה חִקְמִיתִי תִשְׁמַרְוֹ בְּהַמְּלֵךְ לֹא־מְרֻבִּיעַ כָּלָאִים וְבֹנֶד כָּלָאִים שְׂדֵךְ לֹא־חֲנֻרָעַ כָּלָאִים וְבֹנֶד כָּלָאִים שְׂנָנוּ לֹא־יְצַלֵּה בְּלִילָה

You shall observe My laws. You shall not let your cattle mate with a different kind; you shall not sow your field with two kinds of seed; you shall not put on cloth from a mixture of two kinds of material.

Leviticus 19:19

Leviticus presents the prohibition of mixing animal breeds, plants, and cloth:

You shall observe My laws. You shall not let your cattle mate with a different kind; you shall not sow your field with two kinds of seed; you shall not put on cloth from a mixture of two kinds of material. *Leviticus 19:19*

The term used in this verse for the prohibited mixture is *kil'ayim* (כָּלָאִים). A similar word is used in Genesis to mean “stopped up”:

The fountains of the deep and the floodgates of the sky were stopped up (*vayikalei*, וַיַּקְלֵל) and the rain from the sky was held back; Genesis 8:2

The root נְלַכֵּד was used by Jeremiah to refer to a prison:

And Yirmiyahu said to King Tzidkiyah, “What wrong have I done to you, to your courtiers, and to this people, that you have put me in jail (*keleh נַקְבָּה*)? Jeremiah 37:18

Figure 1_9

One of those allegorical meanings of the Kilayim laws is, in aggregate: Don't take genome-changing mRNA or DNA fake vaccines.

So what do I currently think is the correct answer to: Does "Warp" in "Warp Speed" Refer to Leviticus 13 "Warp and the Woof"?

Yes

If I were to pursue further understanding of warp and woof, my next avenues would include:

- Exploring the expanded set of cipher gematria for Warp: [Strong's H8359](#), נֶשׁוּר and for Woof: [Strong's H6154](#), ereb, בָּרָע.
- Exploring use of both of those words in other verses
- Warp speeds are associated with wormholes. Quoting "[Why Warp Drives Aren't Just Science Fiction](#)": "The next question is: how to create these spacetime distortions that will allow vessels to travel faster than light? It's believed — and certain preliminary experiments seem to confirm — that producing targeted amounts of what's called "**negative energy**" would achieve the desired effect."
 - **Negative energy:** [Black holes eat negative energy and vomit out huge powerful jets](#). [Black holes: The Ultimate Abyss](#).
 - There is no light in a black hole.
 - Apollyon has the key to the abyss. Donald Trump's [penthouse is a shrine to Apollyon](#). The [1st horseman of the Apocalypse is “Apollyon”](#): Search keyword “Apollyon”.
 - [Gen 1:4](#) “And God saw the light, that it was good; and God divided the light from the darkness.”
 - Do you see the connections?
- And more....

That's for another day, if I decide to do it.

As a reminder: STOP taking ALL vaccines. They are meant to cut you off from HaShem ("2/3 will be cut off") and they are meant to make you Biblically "unclean": Lev Chap 11

אֶרְךָ יְהֹוָה פָּנָיו אֶלָּיךְ, וַיִּתְּבֹּא
