A few months ago, Pfizer launched a TV ad for the mRNA fake vaccine boosters to protect from fake Covid-19. This TV ad featured Martha Stewart, and was chock-full of both Bible and occult symbolism.

Yes, the first and second links that I had for the YouTube Pfizer/Stewart video were taken down. So, above is a 3rd link to the video. I wonder if that link will be taken down as well. Link removals happen a lot for my decodes: links disappear. This is why I create, save, and post screenshots.

If the video link above does not work, click [here](#) for an online search for a video of that commercial.

Lets's take a look:

The commercial starts by showing a circle (same shape as a *crown*) of *copper* pots: Figure 1_1.

Figure 1_1: The bizarre, surreal times continue at speed

Next, we see Stewart sharpening a *sword*. At this moment, one of her eyes appears light, the other eye appears dark, or, *hidden*: Figure 1_2. She says “You know that unwelcome guest that everyone wishes would leave already, that’s Covid-19. That’s why I got the new updated booster designed to help protect against recent **Omicron** variants”.

Figure 1_2

Stewart proceeds to chop off the leafy green *crown* from a *pineapple*: Figure 1_3.

Figure 1_3

And then Stewart proceeds to toss the *crown* into a garbage can: Figure 1_4.

Figure 1_4

She then reveals a *blue* bandage on her upper *right* arm, close to the *shoulder*: Figure 1_5.

Figure 1_5

Then the final message “Check eligibility and schedule at vaccines.gov”: Figure 1_6. The fake governments and Pfizer are not your friends. Not even close.

Figure 1_6

The time-efficient way to use the links that I provide is, instead of reading the entire article, do a keyword search. Example: On the link “[Chukkat: The Revelation Of The Holy Snake](#)”, keyword search “serpent” in the document.

What do I see in this commercial:

- Pineapple. A pineapple looks quite similar to the pineal gland in the brain.
 - “In many cultures, the pineapple represents the third eye or pineal gland due to its shape”, from “[The Third Eye Chakra](#)”.
 - The pineal gland is considered to be the biological means by which people connect to “the spiritual”. See, for example, “[Pineal Gland—A Spiritual Third Eye: An Odyssey of Antiquity to Modern Chronomedicine](#)”: and, Figure 1_7.
 - Thus, the pineapple in the commercial represents your biological organ that you use to connect to the the spiritual, and thus to HaShem. Or, to connect to the adversary: the snake, the serpent.
- Copper
 - “Copper, unlike gold, is currency, but, unlike silver, it is not valuable. It therefore represents someone who lives within the mundane but brings no **light** into it. The Hebrew word for "copper", "nechoshet", comes from the word for **"snake"**, "nachash".

Copper is **"snake-metal"**, a substance that recalls the stubborn impudence of the Primordial Snake's denial of G-d".

- See the post "[Snake Metal](#)": Figure 1_8.
- Quoting "[Chukkat: The Revelation Of The Holy Snake](#)" "Genesis records that the "serpent was more cunning than all the beasts of the field," and entered into a conversation with Eve. It is important to note that he did not approach Adam directly, preferring rather to strike at the weakest point, like Amalek who attacked Israel from behind , assailing women, children and the infirm. The serpent questions the validity of God's word, and subsequently tricks Eve into eating of the Tree of Knowledge of Good and Evil. Adam, the ruler of the earth, seeing what his wife has done, follows suit in eating of the forbidden fruit, sinning against the Word of God. In doing so, he obeyed his wife who listened to the tempter, subjecting himself to the authority of the serpent. By this action, *Adam essentially gave his crown of glory to the snake. [My edit: The pineapple crown (Pineal gland) in the video; the pineapple crown was replaced by the copper crown, the copper pans, that were above Martha Stewart: The crown of the snake]*. We must ask ourselves why was the form of a snake chosen? Why not a cow or a donkey, a lion or a bear? In Hebrew the word for snake is *nachash*. This is etymologically related to the word for copper which is *nechoshet*, a shiny metal. The skin of the serpent is mesmerizing, the shiny scales are dazzling. The old adage 'All that glitters is not gold' fits nicely into this situation. This allure proved successful. Like a boa constrictor, the Satan solidified his grip upon the earth in dethroning Adam".

- To understand copper at a deeper level, read the verses in the Biblehub link that contain the word "copper", which is [Strong's H5178](#). *nechoshet*, and which is most often translated as brass.
- "Nehushtan (*nechoshet*) is used sometimes to suggest fornication with a female deity", from "[The Crime of the Calf...](#)": Figure 1_9.
- The copper pots are arranged in a circle, the same form factor as a crown. Corona means crown: as in: Corona....virus. As in: Covid-19. Do you still think that Covid-19 was a real plague or pathogen?
- Hidden eye
 - The [hidden, covered, eye](#) is one of the most ubiquitous occult symbols: Figure 1_10. According to Illuminati symbols "The unconcealed eye is said to represent Lucifer".
 - There may be something to be gleaned in the Bible about a hidden eye in [Mat 6:23](#).
 - Others claim that one hidden eye refers to the (evil) [masonic "all seeing eye"](#).
 - Or, one light eye and one dark eye may represent the mixed multitude.
- Omicron
 - "What does omicron mean? "[Literally, the word means "small o", and refers to the 15th letter in the Greek alphabet, which is in turn derived from the Phoenician letter 'ayin.'](#)"

- Ayin: “The meaning of the [Hebrew letter](#) Ayin - ע, is ‘eye’. “[The letter Ayin - ע, when spelled out – as יע, spells the word Ayin which means an eye...eyes are associated with making a correct judgment](#)”.
- Thus, one possible interpretation of a mRNA fake booster against fake omicron is that it prevents achievement of a certain level of spiritual “sight”.
- Pineapple crown
 - Stewart cuts off the pineapple [crown, the leafy portion of the **fruit**](#) from the pineapple. This is allegory for severing the spiritual connection to HaShem. Spiritual = frequency. The physical connection may be severed as well; that would likely cause a variety of afflictions and death as time progresses.
 - Cutting off the pineapple crown is also allegory for severing, or preventing, your anointing: [Crown = Keter = Moshiach consciousness](#), according to a handful of kabbalists.
 - [Revelation 3:11](#) states “I am coming soon. Hold fast to what you have, so that no one will take your crown”. Indeed.
 - Getting the picture?
- Sword
 - Stewart uses a sword to cut off the pineapple crown.
 - Sword is [Strong's H2719](#), כֶּרֶב, chereb.
 - Sword appears 38x times in the Torah, notably in Num 20:18 “And Edom said unto him Thou shalt not pass by me lest I come out against thee with the sword”
 - 2018 may mean the year 2018 AD. [2018 has been posited by one kabbalist to be the “event horizon” for HaShem’s reset](#): Figure 1_11. That looks to be mostly correct.
 - Edom is allegory for the those who oppose HaShem and Israel. Edom represents the descendants of Esau, which I’ve written about in 2 prior posts. The descendants of Esau appear to be those in control of governments worldwide, and, they appear to be the ones orchestrating the Covid and mRNA deceptions.
 - Israel means “[He contains God](#)” in this context.
 - As support for the previous bullet, quoting @TorahJews on Twitter, “Jews are not proxy citizens of Israel. Israel is a modern political entity created in 1948 by ppl who knew zero of Judaism. The Jewish people are an ancient religious collective belonging to many nationalities around the world.”
 - The meaning of Jew is “[Praiser of Yah](#)”.
 - What you will likely learn is that the 3rd Temple in the nation of Israel is a total deception. The 3rd Temple is your body. See my pinned post “[mRNA and DNA Fake Vaccines](#)”.
 - The precipitating physical event of 2018 for HaShem’s reset is not yet clear to me, other than the math used by Kabbalah Secrets. The introduction of the mRNA fake vaccines

in Dec 2020 is clearly a time-marker in HaShem's reset. I'm guessing that the 2018 event is connected to a high-level decision to run the Covid deceptions to deceive people into taking the mRNA fake vaccines.

- Chereb is similar to Cherubim, [Strong's H3742](#), kerub. [Cherubim have been posited to be portions of our brains](#): Figure 1_12.
- [Revelation 6:4](#) "Then another horse went forth. It was bright red, and its rider was granted permission to take away peace from the earth and to make men slay one another. And he was given a great **Sword**". [Peace in the Greek is εἰρήνη](#), which also translates as "wholeness". So what is really meant: "peace", "wholeness", or both? What does a **Sword** do? It cuts both ways.
- The **Sword** (aka, samekh ס, "S"-word) may be CRISPR. CRISPR is a chemical used to cut DNA: both ways. It is the acronym of "[Clustered Regularly Interspaced Short Palindromic Repeats](#)".
- The [first Adverse event listed in Pfizer's own document](#) on adverse events for the BNT162b2 fake vaccine is "1p36 deletion syndrome", which is a [gene knock-out syndrome](#). If genes are knocked-out, then, by definition, DNA IS changed. The governments, the media, your clergy, your doctors, and the fake "experts" all claimed that the mRNA fake vaccines did not alter DNA. Clearly, "they" lied. And they continue to lie.
- Blue bandage on Stewart's shoulder.
 - Blue brings to mind a portion of the [Shema prayer](#) "The Lord Said to Moses, "Speak to the people of Israel, and tell them to make tassels on the corners of their garments throughout their generations, and to put a **cord of blue** on the tassel of each corner. And it shall be a tassel for you to look at and remember all the commandments of the LORD”".
 - Instead of a cord of blue, Stewart wore a bandage of blue: A wound.
- Shoulder
 - [Right shoulder: Represents Abel in “Cain and Abel”](#). Thus, Abel is wounded by the mRNA fake vaccines: Not good: Figure 1_13. This is a very interesting read.
 - [Shechem means “shoulder”, and, “personal interest”](#), as in money: Figure 1_14.
 - [1 Tim 6:10](#) “For the love of money is the root of all evil”. Was that it?
 - [“Shechem - the city where Joseph was sold into slavery, which he later inherited & where he was buried -- is the place where redemption will begin w/acts of “violence & destruction””](#): Figure 1_15.
 - Acts of violence and destruction: Violence definition: 1. *actions or words that are intended to hurt people*.
 - Correct. That's what was done with fake Covid and mRNA fake vaccines.
 - Destruction: of your crown, keter, moshiach consciousness.

- I'm probably missing at least 2-3 occult or Bible symbols in the Pfizer commercial.
 - Getting the picture? The "story" of what is happening seems to be told to us in our realm.
 - When a commercial has this much symbolism in it, how likely was it that the author knew all of this symbolism, vs, we live in a simulation?
 - Something worth pondering.

Pineal Gland—A Spiritual Third Eye: An Odyssey of Antiquity to Modern Chronomedicine

Abstract

Pineal gland or "spiritual third eye" is regarded as the gateway of spiritual life as per ancient concepts about the soul. Recently, modern neuroscience has proven that pineal gland is not only the melatonin-secreting neuroendocrine organ which controls the circadian rhythm, but it also has mystical and energetic associations with spirituality. It acts as a tremendous coordinator between molecular, hormonal, physiological, and chemical rhythmic orchestra. Thus, in this article, by highlighting the relation between ancient Indian methodology and modern chronomedicine, the author describes the odyssey of antiquity to modern science.

Keywords

- pineal gland
- third eye
- chronomedicine

Background

Dimethyl tryptamine from the pineal gland is also known as spirit molecule. It is linked to perception and is activated by energetic and magnetic frequency. It may sound absurd to some researchers, but current evidence favors existence of the "third eye."¹ The literature is flooded with articles relating the pineal gland with circadian rhythm. In this article, the author has highlighted the bonding between ancient Indian methodology and modern chronomedicine. The description of "Ham and Ksham" and its correlation with pineal gland and hypothalamic-pituitary complex highlight the odyssey of antiquity to modern chronomedicine.

The ancient philosophers and scientists have a different belief in the soul and its existence. The exact seat of the soul has evolved over centuries. The Platonic and Aristotle concepts highlighted the three types of souls concluding the importance of the heart as the center of control—"Phren."² According to them, the soul is outside the body and linked with the materialistic body with some part. It was Hippocrates, who changed their concept and said that soul resides somewhere inside the body. Hippocrates justified that it is the brain, rather than the heart, as the focal point of feeling and reason. The "soul" is the energy-generating part that coordinates the molecular, hormonal, physiologic, and chemical orchestra of the human body. Modern neuroscience believes that the rhythmic coordination is maintained by suprachiasmatic nucleus, via the pineal gland, thus the pineal gland has mystical and energetic associations.⁴

The first specific reference to the pineal gland was given by Herophilus who wrote that the soul is in "kalamos." The detailed description of the pineal gland was given by Galen in his work "De anatomicis administrationibus." He believes that the soul flows in form of air from the lungs to the heart and then to the brain. The flow of air in the brain is controlled in valve-like fashion by the pineal gland.

The importance of the pineal gland as a center of soul reached its peak in the era of Saint Thomas Aquinas (1225–1274 AD) who formed a council and proved his

Historical Aspect

Human beings have a "third eye" or mystic body scientifically known as the *pineal gland*. The third eye corresponds to sixth "chakra"—"Ajna" that provides a "window" into the spiritual life of every individual (►Fig. 1). The ancient scientists had never believed in the existence of the soul until Cartesian neuropsychophysiological doctrine was laid in the 17th century. The two schools of science and philosophy gave common consensus on the existence of the pineal gland and its physiologic and mythological importance.²

Snake-Metal

The element of silver draws holiness into the realm of the mundane.  Beginner

From the teachings of the Lubavitcher Rebbe; adapted by Moshe Yaakov Wisnfsky

"Gold, silver and copper..." (Ex. 25:3)

Although gold surpasses silver in value, silver is the metal of choice for use as currency. Spiritually, the rarity and uncommonness of gold alludes to the otherworldly, transcendent element of man - the desire to rise beyond the natural and remain outside the common. Conversely, the availability of silver alludes to the effort to draw otherworldly holiness into the common and mundane. Although gold is the more precious of the two metals, there are certain contexts in Jewish Law in which the availability of silver makes it more valuable than gold. (See *Bava Metzia*, 44a-b, Rosh ad loc) This preference of silver over gold reflects the fact that it is the "silver" element of our experience that achieves the divine plan.

Similarly, silver and gold represent two elements within the Jewish people: Silver represents the perfectly righteous, who funnel divine "light" into the mundane world. Gold represents those who have struggled with darkness and won; their struggle impels them to seek transcendence and escape from the stranglehold of materialism.

Silver and gold represent two elements within the Jewish people....

Yet, the availability of silver outweighs the value of gold only because silver is itself valuable; although it is within the mundane, it brings holiness to it. Copper, on the other hand, unlike gold, is currency, but, unlike silver, it is not valuable. It therefore represents someone who lives within the mundane but brings no light into it. The Hebrew word for "copper", "nechoshet", comes from the word for "snake", "nachash". Copper is "snake-metal", a substance that recalls the stubborn impudence of the Primordial Snake's denial of G-d.

Yet, the Torah requires that all three metals be a part of the Tabernacle. This is a lesson both to those who perceive themselves as gold and silver and those who think of themselves as copper. The gold and silver Jews must realize that to merit the Divine Presence they must unite with those on the level of copper. And the copper Jews, who are yet imperfect, must know that copper, too, was a part of the Tabernacle, and that they are not absolved of doing their part in bringing the Divine Presence down to earth.

To merit the Divine Presence they must unite with those on the level of copper....

Figure 1_10. "Tell me that we live in a Simulation without telling me that we live in a Simulation"

The next iteration is $(4^4 + 3^4 + 2^4 + 1^4) = 354$, as in the **354** days in the lunar calendar.

$$\frac{\text{Volume Sun}}{\text{Volume Earth}} = \mathbf{1,300,000}$$

$$H(5) = (1^1 + 2^2 + 3^3 + 4^4 + 5) = \mathbf{86,400,000}$$

$$\text{Sun's Diameter} = \mathbf{864,000}$$

$$(1^5 + 2^5 + 3^5 + 4^5) = \mathbf{1300}$$

$$(1^2 + 2^2 + 3^2 + 4^2) + (1^3 + 2^3 + 3^3 + 4^3) = \mathbf{130}$$

$$\text{Mt Sinai} = \mathbf{130}$$

$$\text{Earth's Radius equator} - \text{Earth's Radius poles} = (3963 \text{ mi} - 3950 \text{ mi}) = \mathbf{13 \text{ miles}}$$

$$(1^4 + 2^4 + 3^4 + 4^4) = \mathbf{354 \text{ days} = \text{lunar year}}$$

The question becomes what do the Earth, the Sun, and the Moon mean? That is the next level of understanding.

A Tightly Wound Clock

The Spherical Time radius or Event Horizon of **5778** HC corresponds to the Western calendar year **2018** CE or **2019** CE and like the numerical string ...**5778**... we also find ...**2019**... three separate times in the first **1000** digits of Pi (π) and two of those times it appears as ...**42019**..., including the very last sequence of those **1000** digits. The **210** years in actual geographic Egypt represent **.2019** or **20.19231%** of the **3** time spans the Torah gives us for the bondage or **210/(430 + 400 + 210)**.

Once again, we see the hand of the Creator matching the letters, numbers, and events in the Torah with every mile and degree of the planets, especially the Earth, Moon, and Sun, and with every digit in the mathematical constants, especially the first **27** and first **1000** of them. Perhaps this is why **2018** HC plus the prophesied **400** years is **2448** HC, the year of the revelation of the Torah; and **2018** CE less **400** years is **1618**, as in Phi (**1.6180**); and that **2448/5778 = Phi(φ)**; and that while **(5778 - 2448) = 3330**, the ratio of the Sun's mass to that of the Earth is **333,000**.

$$\frac{\text{Sun's Mass}}{\text{Earth's Mass}} = \mathbf{333,000}$$

That difference of **(5778 - 2448) = 3330** years is equivalent to **66.6** Jubilee years, just as the ratio of the Sun's mass to that of the Earth is **333,000** or **(66600 x 5)**, while the Earth orbits the Sun at **66,600** mph.

Figure 1_11

Before I address the Israelites crossing the Red Sea, I decided it would be more beneficial to fast forward and write a piece on the esoteric meaning of the Ark of the Covenant. Doing so will give you more knowledge on how valuable it is to raise your consciousness.

First of all it is important to realize that Moses never constructed a golden box known as the Ark, and he didn't converse with a separate omnipotent being

above the Mercy seat. Rather these components of the Exodus narrative describe something that happens in your head on the way to your own Promised Land.

The true Ark of the Covenant rests atop your shoulders. More specifically, the Ark represents your **brain**. Even as Jesus was crucified at Golgotha (the place of the skull), representing part of the ascension process that takes place in your head, so too does the Ark. And in order to truly commune with God, that communion must take place within the confines of your mind. As we'll soon see, communing with God has nothing to do with talking with a separate being. It has much more to do with becoming ONE with something much bigger than you!

As Jesus said stated:

"that all of them may be one , Father, just as you are in me and I am in you. May they also be in us..." (John 17:21).

How could the church preach the above verse any way but metaphysical?

Now let's break down the image of the Ark. Two Cherubim's faced each other on top of the lid. But what's significant here is that the wings of the **Cherubim** are spread over the ark, covering and protecting what lies beneath. There is one on the left and one on the right. Now consider that your **brain** is made up of a left and right hemisphere. The covering of your **brain** is the cerebrum. So just as the Cherubim covered something significant inside the ark (the **brain**) so too does the left and right cerebrum cover some very important glands that serve as a link between our physical and spiritual natures. One such component is the pineal gland, also known as the third eye.

This is what Jesus referenced when he stated:

"The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light" (Matt. 6:22).

As if the above information wasn't enough, I am now going to give you plain scriptural information that will confirm that the ark is symbolic of the human **brain**. Consider that the stone tablets making up the Ten Commandments were placed *inside* the Ark of the Covenant. Now remember that the ark symbolizes the mind and **brain**.

The Root of Cain & Abel: The Shoulders

Gate of Reincarnations: Chapter Thirty-One, Section 2

By Rabbi Yitzchak Luria as recorded by Rabbi Chaim Vital; translation from *Sha'ar Hagilgulim* by Yitzchok bar Chaim; commen

[« Previous](#)
[Division in Roots & Sparks \(31:1\)](#)
[Next »](#)
[The Left Shoulder: Root of Cain \(31:3\)](#)

The size of the division depends upon the defect and the sins. Cain and Abel are the two shoulders of Adam, with Cain on the left and Abel on the right. The shoulder is the limb that joins the arm to the body, and it turns a bit towards the back from the top. It so being, as a result of their sins the limbs of both Cain and Abel divided up to 600,000 mini-sparks.

This is the secret of what is written in *Tikun* 69, that Moses, who was from Abel, emanated until 600,000 and his sparks reincarnate in every generation, in the secret of, "One generation goes, and another [the same one, i.e. sparks] comes [back]." ([Eccl. 1:4](#)) Understand this.

...Moses, who was from Abel, emanated until 600,000...

"There is someone who had [one comparable to all] 600,000 [Jews] in one belly: Jochebed the mother of Moses." (*Shir Hashirim Raba*) At one point, G-d wanted to start the people over from Moses, ([Ex. 32:10](#)) for he is the grand root soul of his and all generations. (*Zohar, Likutei Moharan*)

His offshoots have to keep coming back to be repaired until the job is finished and all of the sparks are rectified. The necessity of reincarnation is according to how great the task is. Since Moses has the grand task of fixing the entire universe, his own perfection is not enough to prevent *gilgal*. It will continue until everything is fixed.

Understand how Providence is constantly setting up souls to reach their ultimate *tikun* through the reincarnation process. And make sure to use your lifetime to constantly fix things - and not for the opposite.
